

We're Better TOGETHER

2024 ANNUAL FUNDRAISING CAMPAIGN

The Nacogdoches Memorial Hospital Foundation understands **"WE'RE BETTER TOGETHER"** and invites you to become a Giving Partner for our 2024 campaign. Your gift helps the Nacogdoches Memorial Hospital Foundation's work to keep our community healthy.

Your tax-deductible donation provides help directly to your community hospital. Nacogdoches Memorial Hospital Foundation was established to promote awareness of Nacogdoches Memorial Hospital and to secure and manage financial support for this dynamic non-profit organization. Previous gifts from generous donors like you are helping advance medical care and extend services. Vital pulmonary enhancements are being added in the Phase III renovation of the Cardiac Rehabilitation Program. Our Physical Therapy Program received new equipment to help patients maximize mobility. Hospital employees have benefited from foundation-funded team-building events. The purchase of improved equipment has also helped our emergency medical services teams become better prepared to serve our community. We need your continued support to help make things possible.

In addition to our annual giving campaign, advocates for our mission are hosting an inaugural Nacogdoches Memorial Hospital Foundation "Battle of the Paddles" Pickleball Tournament, November 2-3, 2024. Registration details are available at nacmem.org. All proceeds from this exciting new event will benefit the foundation.

Nacogdoches Memorial Hospital Foundation's ability to serve locally depends on the support of leaders like you. With your continued support, our good work will continue!

Sincerely,

Ella B. Nobles

Director, Nacogdoches Memorial Hospital Foundation
